

Pasan Tharindya Rajapaksha

BSc IT Undergraduate | Aspiring Technology Professional

pasanr887@gmail.com | 078 - 129 3778 | [GitHub](#) | 415/1 Doranagoda-East, Bemmulla

Summary

BSc IT undergraduate at SIBA Campus, Palkekele, with hands-on experience in web development, databases, data analytics, and modern IT technologies. Through academic and personal projects, I have developed practical skills in developing applications, working with databases, data visualization, and problem solving. Seeking an opportunity to gain industry experience, contribute to real-world projects, and grow as a technology professional.

Projects

Task Management System | Laravel, Angular, PHP

- Built a task management application using the Laravel framework with full Create, Read, Update, and Delete functionality
- Implemented MVC architecture and application routing.

Sales Analytics Dashboard | Power BI

- Built an interactive Power BI dashboard using simulated sales data.
- Cleaned data with Power Query and created DAX measures for revenue, cost, profit, and margin.
- Created KPI cards, trend charts, and interactive slicers for sales analysis.
- Analyzed regional and product performance, identifying North Western as the top-revenue region and Bulldozer as the top-revenue product.

Skill Sharing Web Application | JavaScripts, HTML, MongoDB

- Developed a platform allowing users to share and discover skills through dynamic web pages called SkillSwap.
- Integrated MongoDB as a NoSQL database, experience with both SQL and NoSQL technologies.

Dating Web Application | PHP, MySQL, Bootstrap

- Developed a full-stack dating web application called “Crushify” with user registration, profile management, and matchmaking features.
- Designed a responsive UI using Bootstrap and implemented backend logic with PHP and MySQL.

Online Shoe Retail Website | HTML, CSS

- Designed and developed a front-end e-commerce website for online shoe retail which called “FEETsy.com”
- Created a visually appealing and responsive product showcase layout using HTML and CSS.
